## **PET SOFA BED**

**AVAILABLE IN 2 SIZES**

A change in the weather is the perfect excuse to get cosy and cuddle into a new bed. Treat your pet to our new bold check bed and prepare to be jealous as you watch them sink into the cosy deep filled cushion. The reversible inner cushion allows you to switch between the thick woven self-check or our indulgently soft plush which delivers a touch of luxury.

Available in two sizes we suggest the M/L to be used for smaller and medium sized breeds, whilst the L/XL has been designed to suit bigger dogs. Please see our size chart to decide which bed is best for your pet.

**PET BLANKET**

**PET BLANKET**

To complement our cosy pet bed, we have also developed an even cosier blanket to be used by pet and owner alike.

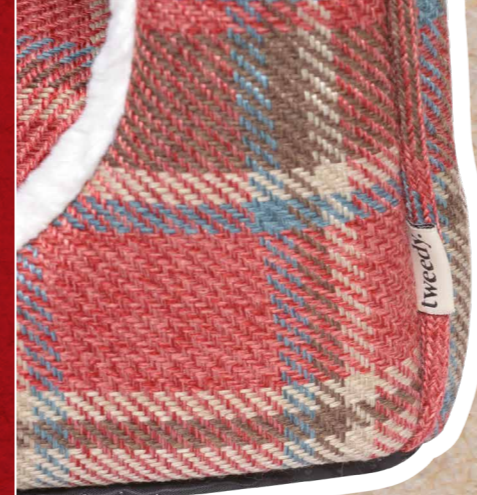

Perfect for an extra layer on cold nights or to cover the furniture whilst watching your favourite movies together. Fully machine washable; our blanket features a woven check one side and a soft plush on the reverse.
